Agenda:

- Reviewing last meeting minutes
- Formulation of the core message of the day and expected outcome
- Parallel working group activities and outcome
- Social and Sport activities brainstorming
- Closure ceremony schedule
- Technical facilities and financial requirements

Reviewing

Firstly the meeting started with briefing the outcome of the last meeting by Mohammad El-Sheikh followed by adoption the draft day agenda.

Formulation of the core message of the day and expected outcome

After long discussion, we agreed upon the following the message that all the day partners will work in its delivery and the final outcome we aim at reaching at the end of the day.

Message: you have to get involved through youth participation in combating HIV/AIDS and to know the basic HIV knowledge

Outcome: To create 300 agent of change by the end of the day.

Parallel working groups' activities (3hours)

Group A

Coordinated by: Dance 4Life

Content:

1. Creative thinking
2. Energizer
3. Training pack "how to be agent of change"

Group B

Coordinated by: EFPA

Content:

1. Ice Breaker
2. Brief HIV Basic knowledge
3. Short theater scene formation
4. Three subgroups
 - Decoration of the stage
 - Train on the pre-written scenario
 - Act a song

Group C

Coordinated by: GYCA

Content:

1. Basic HIV
2. Youth Empowerment and role of youth in HIV
3. Advocacy
4. Preparation of revised declaration letter to be signed by all participants

Group D:

Coordinated by: GYP

Content:

1. Sharing experience
2. Idea of Anti AIDS Clubs and how to be disseminated
3. Youth creations

Group E:

Coordinated by: Y-PEER

Content:

Peer education techniques in HIV

Role Play and theatre based techniques.

***Also we agreed that one or two from each group will be trained to carry the drill of D4L so as to transmit to his individual group so that at the end we will be having the 300 doing the same action.

Social and sport activities

Competitions

Quizzes in HIV
