Lead the Way to excellence in Rotaract

The Rotaract Preconvention Meeting at the 2007 Rotary International Convention is the perfect opportunity to meet Rotaractors from all over the world. Participants will have the opportunity to discuss a wide range of topics relevant to Rotaractors today in small workshops and presentations. Take this opportunity to visit beautiful Salt Lake City and to *Lead the Way* to successful Rotaract clubs, excellent service projects, and enduring friendships. When finalized, the preconvention agenda will be posted at www.rotaract.org; until then, please review last year's program highlights posted there.
