Announces the Opening of Two New Stores by  
(PINKSHEETS: PRTH) is pleased to announce that Puerto Rico 7, Inc. has opened two new stores. The stores are recorded as Pinero II and Borinquen Towers. Both locations were researched demographically to deliver above average sales due to high traffic streets and communities directly surrounding the stores. The Management team believes that the stores will each quickly reach an annualized run rate of 1.2 Million dollars of sales.
