CLC PRESENTS: WEBINAR SERIES

Our first webinar in the series will focus on TIG tools that can be utilized by **organizations**.

The goal of this webinar is to better inform the organizations users, or general members, on how to navigate and use TakingITGlobal.org to their best advantage.

In this webinar we will be focusing on 3 tools:

- **Setting Up an Organization Profile Page**
- **Groups and Mailing Lists**
- **How to Manage a Project Page**

This webinar will be available at 10 AM and 7 PM (EST) on **March 20th**, for your convenience.

RSVP by joining:
