

A unique event on the last Friday of every month at the

Are you 14 to 24? Check out **Sci Fri** on Friday, April 25th, 2008, 7 to 10 pm

DO YOU THINK ART CAN CHANGE THE WORLD?

Want to see it in action?

Curious about how other people are creating art
which brings attention to local, national and global issues?

*Join us for an evening of music, social networking,
and food for your mind and body.*

- Rise to the Challenge - work with an artist / media expert to create your own artistic expression of a global issue in less than 90 mins.
- Join the "Battle of the sexes" game show. Will the guys or girls win?
- Catch youth-produced films, videos, and artworks with impact.
- Experiment with the exhibits in our Innovation Centre.
- Listen to freshly spun tunes or try your hand at spinning!
- Get a tattoo, test your knowledge, play some games.
