

Invitation

The Ministry of Foreign Affairs of **The Netherlands**, together with youth led organisations and partners, highlights the importance of a **rights**-based approach in the response to **AIDS** and the crucial role of young people. This will be done by youth leaders who will address the issue in an interactive and dynamic way, combined with a variety of **youth-led initiatives**, discussions and performances.

NO YOUTH NO CHANGE

Youth rights as key in the response to HIV/AIDS
