Gullible DNC & RNC racists directing Narcotics Terrorism with Spin on Muslims (African Americans) as "Evil"

"Fraud" Cried from the GOP who takes credit for repeating Clinton Neglect in the form of the President Obama's Transitional Administration

Former UKGB PMBlair has a Narcotics Terrorist Hindi Pakistani Gay Entertainment Community Clan which had **for the past 8-18 years** formed & directed the creation of an Neural Network of Gay & Hindi Pakistani Pedophiles & Kiddie Porn Artists seeking registered & unregistered Sex Offenders **to Emotionally & Physical Terrorize documented rape victims.**

Elements of Former UKGB PMBlair's Insanity, Blair Narcotics Terrorist Ivy League-Freemason "Clan" Activity

Advertising & News Report Key Names, Numbers & Phrases Matricized to Emotionally Terrorize & reinforce the Blair Clan's eNarcotic of Paranoid Schizophrenic Network of Junkies stalking & targeting Politicians & Western Commercial Competition.

- Emotional Terrorism includes Past Personal & Family Trauma, personal & private experiences, any embarrassing situation & any memory of insult & emotional reaction of the targeted person. Rape Victims & former United States Citizens P.O.W. were traumatized with the Physical presence of an Holographic likeness of their rapist, prison guard & attacker as though reliving the exact same experience.
- Hindi Pakistani & Gay Community commercially marketed these types of experiences & memories to other Narcotics Vagrants who wanted this type of Sado Masochistic Entertainment.
- Clinton was seen as an Hate Filled Politician, the Emotional Terrorist of the GOP, while the GOP participated in the Emotional Terrorism & Economic Terrorism of DNC, Non Westerners, Illegal Immigrants & DNC Allies as though it were War, War Maneuver or Clandestine Government Activity instead of Clandestine Narcotics Terrorism.
- GOP directed all Drama around & about the Clinton Family while the Clintons were in office.
 - Clinton reportedly participated in Virtual Human Experiments, "Channeling", eTelepathy, Mind Games & Narcotics Terrorist Activities that included Emotional Terrorism, Virtual Hazing & Word Games. Clintons didn't feel like speaking out about Narcotics Terrorist activity because the Clintons believed the UKGB Royalty were the instigators while Narcotics Terrorists "visiting" the Clintons were in fact the UKGB Entertainment Community of Stage Actors, Oxford Screen Writers & personnel of Blair's UKGB PM's office employees. Former UKGB PMBlair would like to blame all Narcotics Terrorism on Alistair Campbell, who acted as Blair's Brain (providing words, thoughts & direction for Blair with the use of a Neural link to Blair's Brain) for the past 18 Years. Skull & Bones Members were similarly infiltrated by the Gay Community & Hindi Pakistani obsessed with using Skull & Bones, Scientology, Mormons, Televangelists, KKK & Freemasons as the "Top" of the Over-exposed Narcotics Terrorist Organization. Skull & Bones members believed the infiltrators were Skull & Bones members. Gay & Hindi Pakistani use of the Skull & Bones members as the Narcotics Organization "Top" has for the last 10 years exposed & marketed all aspects of the Skull & Bones Organization as though Mainstream Popular Culture instead of Private & Secretive. Widely Advertised Chronic Pedophilia, Kiddie Porn, Sado Masochism, Human Trafficking, Rough Sex, Domestic Violence & Sexual Predators are the result of Gay & Hindi Pakistani Community obsession with Skull & Bones & other otherwise secretive Cult Organizations.

Where's the Fraud?

Fraud is found in DNC & RNC direction toward Blair Clan Goals, Narcotics Terrorist Activity of Claiming Territory & control of Industries, GDP & Migration of Natural & Financial Assets.

Fraud is found in any repeat of the Clinton Administration as though President Obama were irrelevant in the process of shaping the problem solving tasks necessary after the Inauguration. Signals the RNC & DNC racists follow are "Name" signals, Name Dropping linked to a playbook. Clinton Administration appointees in an totally different Anti Racist Democratic Administration signals, "No Change", to the RNC & DNC racists.

Anti Competitive Western Centric eSystems: Poverty did not decrease under the Clinton Administration, the number of rich people decreased while wealth increased. (U.S. Census website 1990-2001 statistics on Poverty.)

The Clinton Administration set the Constitutional Government of the United States on the correct track without flushing prejudice & neglect from Infrastructure that is Industrial Based (Old European).

It's time for Change. The label "Fraud" appears when & if President Obama's Administration follows Clinton's record of Neglect, Spin & Obstruction of Justice. Childhood Without War suggests forming a non partisan Committee to provide Immediate Reparations & Relief for those targeted by former UKGB PMBlair's Clandestine Narcotics Activity.
