Youth Engagement in the Atlantic Region: Success and Challenges

Despite a large and dynamic presence of actively engaged youth in Atlantic Canada, there are many challenges associated with mobilizing youth in this unique region.

TakingITGlobal's Atlantic Livechat will be an opportunity to learn from the success stories of individuals and organizations in the Atlantic provinces, as well as discuss the obstacles to engaging youth in the Atlantic region. We will explore how these roadblocks can be overcome, and the role of technology in facilitating increased youth engagement.

This chat will feature guest speakers from each Atlantic province with leadership roles in their communities. This will be a great opportunity for Atlantic individuals and organizations to network, collaborate, and form new alliances.

Please join us on **Saturday, February 7th 2009 at 12pm AST**. To join the chat, log into TakingITGlobal and then visit <http://projects.tigweb.org/clccanada/chat/>. If you do not have a TakingITGlobal account, please sign up at www.tigweb.org. Joining is free, and takes only 5 minutes.
