RE: Invitation to one day conference

Dear Sir/Madam,

VCT Campaign Project (VCP), a project under Medical Students' Association of Rwanda/MEDSAR would like to invite you to one-day conference, which will be held on..... **February 2009** at National University of Rwanda, Faculty of Medicine.

In fact, the conference theme is "**YOUTH-LED ORGANIZATIONS NETWORK TO FIGHT AGAINST HIV/AIDS**".

The conference will provide enough information to Youth-led organizations/Clubs about HIV/AIDS issues and how to involve them in the youth mobilization campaigns. There will be also presentations by some chiefs of youth organizations/Clubs where each one will have time to describe how the HIV/AIDS epidemic is affecting the whole community where she/he works and the daily activities of young people to deal with the epidemic.

It is in this regard, we invite you to prepare your presentation, however; it will not go beyond 20 minutes. Two people, a girl and a boy are invited from your organization/Club.

Annex, there is the activities' plan of the day.

Your sincerely,

UGIRASHEBUJA Jean Luc
VCT Campaign Project Coordinator
