

LEAGUE OF YOUNG PROFESSIONALS

a) What is the league of young professionals?

This is club consisting of young, energetic and highly motivated people (aged between 20 – 40years) with a passion to develop their professional skills, network, socialize, give back to the community and combine efforts for common good and have fun.

b) Our Vision

To be the first place of choice for people to interact, share, learn and grow.

c) Our mission Statement:

To provide a platform for young Kenyans to find and create opportunities that will enhance their professional and leadership skills, entrepreneurial and business skills while having fun and bringing a positive social change to the Kenyan society

d) Core values

- **Respect for the individual:** We strive to protect the dignity, potential worth and right of every human being.
- **Integrity:** Strive to deliver on our promises
- **Fairness :** Exercise fairness and equity in all our dealings
- **Competence-**

- **Creativity & Initiative-** thrives by motivation, by creativity and by seizing opportunities wherever and whenever they arise
- **Teamwork-**

e) Activities/ events

At league of young professionals club, we engage in activities geared towards improving members professional and social skills, such activities are organized by the different committees in the club. We have the following committees, consisting of members. Feel free to join in and grow with the rest!!!
