

Dear Community Member,

**Re: African Canadian Youth Forum**

The Youth Advisory Committee (YAC) of the African Canadian Legal Clinic (ACLC) would be honored by your participation at our Youth Forum entitled “Real Talks, Real Movements: A Forum for Youth and the People We Work With”. This Forum will be held from 11am-5pm on November 7, 2009 at Metro Hall.

The Youth Advisory Committee is the youth arm of the African Canadian Legal Clinic. Our mandate is to unite and mobilize youth of African decent within Canada thereby sparking positive change within our communities. A great catalyst for such an outcome is finding ways to collaborate with other youth focused Black organizations and/or initiatives. This Forum is an opportunity to do just that.

The Forum will focus on the theme of youth engagement. Our goal is to explore this topic and understand our community’s current level of youth involvement as well as inspire the youth that attend to become more active within their community. It will include speakers, performances, breakout questions, movie screenings, and will finish with an all-inclusive dialogue. This Forum will be the first step towards a nation-wide Black Youth conference to be held in 2010. YAC is pleased to invite you to be present as an organization that youth can learn more about and become involved in.

As we have limited space and many organizations wish to be present, we ask that you return the attached registration form no later than October 26, 2009..

Please feel free to send the attached information to your extended networks in order to spread the word.

We hope to see you there. If you need any additional information please contact us via email at [aclc.yac@gmail.com](mailto:aclc.yac@gmail.com) or by phone at 416 214 4747

Thanks and Blessings,

Matthew Rolfe  
Chair, Youth Advisory Committee
