

Global Vision - Junior Team Canada in partnership with the Toronto Youth Cabinet are holding a Global Leaders Centre (GLC) for youth ages 16-25 on January, 7th 2010. The GLC is a one day interactive session that brings together youth with business, industry and government leaders to discuss global issues. This is your opportunity to gain the insight on your future careers and find out how you can get more international experience. This special GLC will feature a G8 session, as Canada is the official host for June 2010.

At the Global Leaders Centre you will:

- Meet global leaders
- Get the knowledge and skills to succeed in the global economy.
- Challenge your leadership skills by becoming a global leader.
- Network with top leaders in government, business and the community and develop your own network.
- Address urgent economic, political and social challenges facing Canada and the world.
- Participate in a Model G8 Summit
- Learn how to become a JTC Ambassador!

All youth that participate in the GLC are eligible to further their international experience through applying to become a Junior Team Canada Ambassador. This year, Global Vision will select Canada's top talent to participate in the **National G8 Youth Caucus, G8 Youth Summit** as well as our **JTC International Trade and Development Missions** to Asia and the Americas.

GLOBAL LEADERS CENTRE

Thursday, January 7, 2009 at 8am - 4pm
City Council Chambers, Toronto City Hall
